The City of Frankfort Net Profit License Fee is levied at the annual rate of 1.75 percent of the net profits of all occupations, trades, professions or other businesses engaged in said activities in the City. The fee is levied against a partnership, or association as a business entity; therefore, the individual partners or members are not required to file a return on their distributive share of the profits. The Net Profit License Fee Return to be filed by all businesses having some receipts and/or payroll within the City of Frankfort must be based on the net income as reported to the state or federal government. **The Net Profit License Fee Return must be filed before April 15, if license is on a calendar year, or 105 days after the end of the fiscal year, sale, liquidation or transfer.** Checks or money orders should be made payable to the Director of Finance, City of Frankfort, KY.

All expenses connected with the acquisition or carrying of securities, the income from which is not subject under the ordinance, is not deductible.
